

BRUCE ELFANT

TAX ASSESSOR - COLLECTOR
VOTER REGISTRAR

Dear Travis County Apartment Manager:

As Travis County's voter registrar it is my responsibility to help our citizen's register and vote. The right of our citizens to vote and choose its leaders in free elections is perhaps our most important right that must be preserved and exercised by our citizens.

I am writing to enlist your assistance in helping your tenants exercise their right to vote. While the vast majority of apartment dwellers are eligible to register and vote, voter registration rates for most apartment complexes lag far behind primarily single occupancy neighborhoods. This disproportionate lack of participation in elections by apartment renters discounts their voices in election results.

We want your tenant's voices to be heard in local, state and national elections and we need your help. You can become a **Tax Office Voter Registration Partner** by agreeing to conduct and sustain some level of voter registration activities at your apartment complex. **Voter registration Partner** activities could include;

- Become a Volunteer Deputy Registrar so you can register your tenants to vote.
- Offer postage paid voter registration applications to new tenants.
- Authorize volunteer deputy registrars to conduct voter registration activities at your apartment complex.
- Publicize voter registration activities through e-mails and apartment newsletters.
- Post voter registration and **TEXT 2 REGISTER** signs at your apartment complex.

We will list Voter Registration partners and logos on the Tax Office website and will include them at voter registration activities throughout Travis County. By agreeing to conduct one or more of these (or other) voter registration activities at your apartment complex you will be playing an important role in helping to ensure that election results are representative of our entire community.

Please contact me personally at bruce.elfant@co.travis.tx.us or 512 854-9005 if you are interested in becoming a voter registration partner and would like more information. We look forward to working with you to help make Travis County the most registered County in Texas.

Sincerely,

Bruce Elfant
Travis County Tax Assessor-Collector
& Voter Registrar
